Millan Wins Overwhelmingly in Britain

By COLIN FROST

LONDON (AP)—Prime Minister Macmillan's Conservative government retained power today for a second term.

Most of the 630 House of Commons seats decided when the Conservatives held 205. Laborites and Liberals 1 and the Laborites 18.

The Conservatives would outnumber all other parties by roughly 87 seats when the new Parliament opens in January.

The Conservatives led even some Laborites, winning a 100-seat majority.

The popular vote, the Conservatives had taken 4,451,254, 48.1 per cent; Labor 7,707,723, 51.9 per cent, and the Liberals 1,000,000, 5.2 per cent. Minor parties accounted for the remainder.

The popular vote in the last general election, in 1955, went 48.1 per cent for the Conservatives, 51.9 per cent for Labor and 2.70 for the Liberals.

The British electorate and the promises of tax and pension increases offered.

Department Store Sales Show Hike

ST. LOUIS (AP)—Department store sales in the 8th Federal Reserve District dropped 10 per cent last week, compared with the same week of a year ago.

Louisville suffered the largest decline of 21 per cent.

St. Louis was down eight per cent, Memphis seven, Little Rock area 13 and seven smaller cities 13.

For the four week period ended Oct. 3, sales were one per cent below the figure for the similar period of 1958.

Cumulative sales for the year were six per cent above the same period of last year.

UN Looks to Mr. K for More Proof

By TOM HOGE

UNITED NATIONS, N.Y. (AP)—U.N. delegates looked to the Soviet Union today to clarify whether Premier Nikita Khrushchev's proposal for total disarmament will prove more than a utopian dream.

Soviet Deputy Foreign Minister Vyacheslav Molotov was expected to call for support of the Khrushchev plan — top item on the General Assembly Political Committee's agenda — when the 82-nation body gets down to business today.

Informal sources said the Soviets are working on a resolution calling on the General Assembly to recommend that the new 10-nation East-West Disarmament Committee give the Khrushchev proposal urgent consideration when it meets in Geneva after Jan. 1.

Soviet Delegate Arkady Sobolev confirmed that a resolution is being drafted but declined to say what it contained.

Khrushchev put his plan before the Assembly Sept. 18. It calls for total disarmament in four years.

Western delegates have made plain they want to hear some hard facts on the vital issue of disarmament before committing themselves.

City Planning Group Studies Proposals

Hope City Planning Commission met last night in the Community Room of the First National Bank with Ken Thompson and Dale Bertsch, engineers, from the Planning Department of the University of Arkansas.

The members present, Mrs. Manuel Hamm, Mrs. Loyd Kinard, C. C. Lewis and Arch Wylie, went over a street plan with the engineers. The Planning Commission will submit a recommendation to the City Board of Directors that a number of street names be changed to remove duplications and confusion in the existing street layout.

All basic plans necessary for beginning a complete study for a plan of city development are nearing completion, Ken Thompson, engineer in charge of the Hope project, explained that all basic plans should be completed sometime during the month of November.

The planning program is divided into three stages. The first stage, preparing all basic maps that are needed for a study, was started over a year ago. The second phase of the plan is preparation of a suggested plan of land use and zoning, a master plan for street development, and a long range plan of developing community facilities. This phase of the plan is scheduled to start following the first of January. This section of the work will provide a real challenge to the Planning Commission and to the various groups who will be asked to contribute help to the Commission.

The development of an overall zoning plan and a plan for street development will involve a series of public hearings which are scheduled for the coming year.

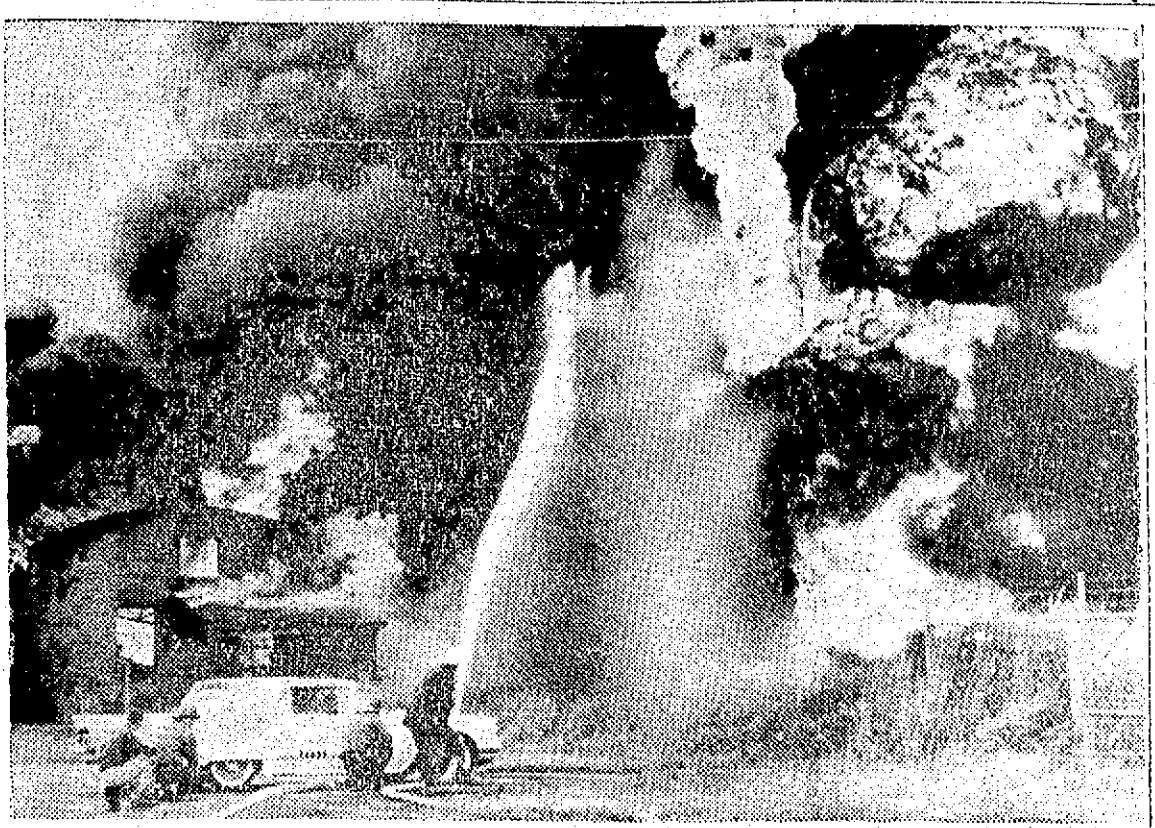

The third phase of the plan will be working out the necessary ordinances and controls to implement the plan of community development.

The Planning Division of the University is doing this work for the actual cost, and federal funds are available to cover overhead. The cost, the federal programs is pending, and it is expected that Jan. 1, money will be available by Jan. 1.

The planning engineers explained that Hope is first in line to receive aid when the new appropriation has been made.

The City Planning Commission is set up to meet at regular monthly meetings on the third Tuesday night of each month. During the coming year, it will be necessary to have many called meetings and public hearings in addition to the regular monthly meetings.

Miss Jo Jo Owens serves as secretary of the Planning Commission and City Manager C. V. Nunn Jr. and City Manager Garland Medders work with the group.

Says Another TV Program Was Rigged

WASHINGTON (AP) — The

former producer of the "Tic Tac Dough" television quiz show testified today he advised about 30 contestants to lie in the New York grand jury investigating rigging of such programs.

The testimony came from Howard Felsher, who was fired last week by the National Broadcasting Co. because he would not make an affidavit that contestants had not been given assistance.

Felsher also told the House investigating subcommittee that on the night version of "Tic Tac Dough" about 75 per cent of the performances were rigged.

Felsher said the large scale rigging took place after he became producer of the nighttime show in April 1958.

The percentage of alleged rigging was developed in questioning by Robert W. Lishman, counsel for a House committee investigating quiz shows.

PCA to Hold Stockholders Meet Here

The Nashville Production Credit Association, which provides financing for farmers in seven Southwestern Arkansas counties, will hold its annual stockholders meeting on October 15th at the Third District Livestock Show Coliseum in Hope, Arkansas.

Business is the prime reason for the annual meeting but the PCA this year has added attractions for the some 1100 farmer members and their families.

A street parade will begin at 4:30 p. m. in Hope, and an amateur rodeo will be held at the coliseum beginning at 7 p. m. The rodeo is free to the public.

Three bands will take part in the parade, including the Nashville High School Band, the Prescott High School Band, and the Hope High School Band. Business firms, organizations, schools and individuals are invited to enter floats, cars, trucks, machinery or equipment in the parade. The parade will form on East Second street near Young's Chevrolet. Firms wishing to enter the parade are asked to contact the PCA office in Nashville or Hope.

L. N. Sikes, a former world's champion cowboy and rodeo performer, will supervise the 10-event rodeo at the coliseum.

PCA members and their families will enjoy a barbecue dinner beginning at 1 p. m. and the business meeting will follow.

In addition, secretaries of the 14 PCA's in Arkansas will conduct a morning meeting of their state-wide association.

Among major cities in Southwestern Arkansas expected to send big delegations to the annual meeting at Hope are Nashville, Memphis, Little Rock, Blytheville, De Queen, Locksburg, Ozark, Hope, Fulton, McCall, Arkadelphia, Gorton, Washington and Prescott.

SCS Group to Meet at Bingen

There will be a joint meeting of the St. Louis and Bingen Conservation Service personnel at the Bingen RVI community building at 7 p. m. Monday, Oct. 12. The purpose of the meeting is to organize a drainage and conservation project on the North Fork of the Osage River. All farmers who have land on this creek or its tributaries are asked to be present. It was announced by Gordon Prescott.

Girl, 3 Brothers Die in Woods Fire

PONTIAC, Mich. (AP)—A girl and three of her brothers died in a fire today that swept a wooden wing of the make-believe castle showplace in which they lived.

Victims were Shirley McKuen, 14, and her brothers, Lawrence, 13; Stanley, 11, and Donald, 10. All were sleeping on the second floor of a wing to "Tryon's Castle."

Police said the blaze apparently had been caused by an improvised shield over an oil burner in the girl's bedroom.

The victims were children of Mrs. Grace Tryon by a previous marriage. Both she and her husband, William, escaped injury.

The main structure of the so-called castle, a structure of stone, brick and concrete suffered little damage. On the lines of English castles, it was built by William Tryon's father, Roy, of the Dow Chemical Co. The main building has a maze of tunnels and rooms.

The percentage of alleged rigging was developed in questioning by Robert W. Lishman, counsel for a House committee investigating quiz shows.

Hope Plans a Big Welcome to Conway

Friday afternoon, November 6th, a special train will rumble out of Conway — destination Hope — carrying football fans to the high school grid game between the two schools.

It is actually a continuation of something Hope started last fall when some 600 fans rode a special train here.

Tickets went on sale last Saturday, and Mac Benton, a publicity director in the sale, said officials hoped to sell approximately 800 of the duents.

The prices are: Adults, \$6; students, \$5; and children under 12 years of age, \$3. The prices include the round-trip fare and a ticket to the game.

Mr. Benton said that no reports were available yet on early sales.

"We are hoping to make this an even bigger success than the special train Hope had," he said.

The train is scheduled to leave Conway at 3:30 p. m. on Nov. 6 and arrive in Hope about 7 p. m. A welcome celebration is planned by Hope citizens, followed by the game at 8 o'clock. The train returns following the game.

"We want to urge everyone who plans to purchase a ticket to get their's early," Mr. Benton said.

The Tuesday edition of The Log Cabin Democrat, Conway's daily newspaper, Hope citizens who made the special train trip to Conway last year will long remember the wonderful reception and courtesies shown them while in that city for the game, and they are determined to do everything possible to repay Conway citizens when they arrive here this year.

A special committee was appointed by Chamber President John L. Wilson, Tuesday morning, at the regular meeting of the Chamber Board, to coordinate the efforts of other organizations who will participate in project "Welcome Conway." Mayor George Frazier and Booster Club President Jewel Shore will serve as co-chairmen of this committee.

City Manager Garland Medders has stated that as much of Front Street, near the Missouri Pacific station, as necessary will be closed to traffic just before the arrival of the special train so as to allow for cars and busses that will be supporting the Conway people to the game.

A parking lot at the Stadium will be reserved for these cars and busses. The auxiliary police force of some 20 men will assist the local and state police in handling the traffic and parking. The Hope School will have busses available for the Conway Band, Pep Squad and Students.

Reuther Links President to Wall Street

By DWIGHT PITKIN

ATLANTIC CITY, N.J. (AP)—Walter P. Reuther told the United Auto Workers convention today that President Eisenhower had refused to set up a public fact-finding board in the steel strike because he is dominated by big business.

The UAW chief said: "It is a tragic spectacle when the man holding the highest office in the world goes to Wall Street hat in hand."

Reuther declared U. S. Steel Chairman Roger Blough would not let Eisenhower name a fact-finding board.

The late President Franklin D. Roosevelt, Reuther said, moved the capital from Wall Street to Washington.

"Next year we are going to have to do it over again," Reuther said in appealing for increased political action by the labor movement. "We will have to establish the sovereignty of the government over the steel industry."

Before opening the convention Reuther gave the nearly 3,000 delegates a statement of policy calling for greater militancy by labor in bargaining, organizing and legislating.

Earlier the UAW president said some way must be found to avoid private wars between workers and management.

Ike Talks With Cabinet About The Steel Strike

WASHINGTON (AP) — President Eisenhower conferred for an hour on the steel strike with four Cabinet officers today, but the White House refused to say whether a Taft-Hartley back-to-work injunction was imminent.

Press Secretary James C. Hagerty told newsmen that Secretary of Labor James P. Mitchell had reported on his conference in New York Thursday with President David J. McDonald and other top officers of the 500,000 striking steelworkers.

Others present today—including Secretary of the Treasury Robert B. Anderson, Atty. Gen. William Rogers and Secretary of Commerce Frederick Mueller — also gave Eisenhower reports on the dispute which has halted 87 per cent of the country's basic steel output for 87 days, Hagerty said.

"That's all I'm going to say now," Hagerty added.

The press secretary refused to state whether anything further could be expected from the White House today on whether in answer to a reporter's question—the decision on invoking the 60-day cooling-off injunction machinery of the labor law "now is in the President's hands."

The Cabinet group and several others had breakfast with Eisenhower starting about 7:30 a.m., then went to Eisenhower's office for more talk.

Besides the Cabinet officers, the group included Hagerty; Chairman Raymond J. Saulnier of the president's Council of Economic Advisers; David Kendall, presidential legal counsel; and Wilton B. Parsons, assistant to the President.

Eisenhower appeared to have only two open choices — a Taft-Hartley injunction to put the men back to work for a cooling-off and negotiating period, or some such move as asking the strikers and management to meet together at the White House.

Conservative Win Is Fine By The West

By ROBERT TUCKMAN

LONDON (AP)—Western capitalists today welcomed the Conservative victory in Britain as reassuring to the Atlantic alliance.

Some officials and various newspapers said it spells continuity and stability in British foreign policy at a time when the West will consider talks at the summit with the Communist East.

West Germany's Chancellor Konrad Adenauer was reported pleased with the outcome, which gave Prime Minister Harold Macmillan the "overwhelming authority" he had asked to speak for Britain at the summit.

Privately, the Adenauer government is known to be satisfied with defeat of the Laborites, who advocate neutralization of Central Europe including Germany.

In divided and communist-surrounded Berlin, the West Berliners appeared relieved.

The right-wing newspaper B-Z commented: "Let's say it right out. The Labor people were to be expected to try to make a deal with Moscow at our expense."

In Paris, officials close to French Premier Michel Debre expressed great satisfaction.

Austrian Chancellor Julius Raab, a Conservative, said the result had confirmed a "renewed-wide trend away from socialism."

Italian newspapers splashed the results across their front pages. A few headlines reflected editorial opinion.

Ten Persons Burn to Death, 11 Hurt in Bus Accident

By RUSSELL H. MULLEN

NORTH BRUNSWICK, N. J. (AP)—A professor and nine Trenton State College coeds were burned to death today when a tank truck rammed into a bus taking them home from a theater party in New York.

Eleven girls and the truck driver were injured, some of them seriously burned, in the flaming disaster on rain-slicked Rt. 1.

The bus carried 40 students, a driver and Dr. Ernest Sixten, 40, a professor of history at the college, who was killed. A native of Cedar Rapids, Iowa, he was graduated in 1952 from the University of London where he had been a Fulbright scholar.

"They were part of a two-bus caravan which was 25 miles from its destination when the bus stopped for a traffic light in the rain and fog."

The truck smashed into the back of the bus.

The gas tank at the rear of the bus exploded, probably killing six to immediately. He was seated in the rear with his wife.

The bus driver said the girls had tumbled out the front door and the rear emergency door which the driver wrested open.

100 Entered in Cotton Picking Contest

BLANTHEVILLE, Ark. (AP) —

Cotton was picked fast and furious today at the National Cotton Picking Contest here.

About 75 contestants stripped the cotton plants in a 14-acre tract where the crop is grown especially for the contest.

Winners won't be known until later today after judging is completed.

First prize is \$1,000. Contest picking time is two hours, and judging is on not only the quality and cleanliness of rows.

Miss Marly Kerkiseck reigns over the contest as National Cotton Picking queen. A blue-eyed, brown-haired high school dream, she won over 19 other beauties in a contest last night. Miss Kerkiseck, daughter of Mr. and Mrs. Wayne Kerkiseck, measures 35-24-36.

She succeeds Sara Kay Burns of Caruthersville, Mo.

The queen contest capped a full day of activities, which included a downtown parade, an appearance by Lynda Lee Mead of Natchez, Miss., the 1950 Miss America, and an address by Gov. Orval E. Faubus.

First alternate in the queen contest was Bonnie Marie Bankley, 18, of Whitehaven, Tenn., and second alternate was Ann Magee, 19, of Memphis.

Faubus, in a speech to contest officials, said he had no apologies for his actions in the Little Rock school integration controversy and said he would do it again.

"There are some things that transcend material values," Faubus said in adding that he would have taken his stand even if it had wrecked the state's industrial program.

But, the governor added, the situation did not hamper industrialization.

He devoted much of his speech to the industrial program and the work of the Arkansas Industrial Development Commission. Only \$400,000 remains in a fund used to purchase bonds for local aid to industries. Faubus said, it added that replenishment of the fund would be a major aim if he should call a special session of the Legislature.

Three Killed by a Train on Bridge

CLARKSVILLE, Ark. (AP)—

Three persons were killed today when a Missouri Pacific freight train smashed into a motorized repair car on the Cabin Creek bridge south of here yesterday said R. L. Helms, 33, of DeWitt, who was on the car. He leaped into the shallow creek below the car. Three others were killed.

Dead were Mrs. A. J. Helms, 29, of DeWitt, and Mrs. A. J. Helms, 29, of DeWitt, and Mrs. A. J. Helms, 29, of DeWitt.

Helms said the men thought the car was too light to cross the bridge, so they could make it across the bridge onto a siding. The car was knocked into the creek. The bodies were recovered.

Helms was not hurt. The train was bound from Van Buren to Little Rock. The wreck scene was six miles south of Clarksville, near the Helms Depot.

Dockworkers on Two Coasts Go Back to Work

NEW YORK (AP)—Atlantic and Gulf Coast ports sprang to life again today after an eight-day strike by 15,000 dock workers.

The Longshoremen bowed to federal pressure, applied from the top by President Eisenhower, and went back to work pending further efforts to work out new contracts with employers.

Negroes Are Stoned At Dollarway

By JOHN R. STARR

PINE BLUFF, Ark. (AP) — Three Negro children seeking admission to the all-white Dollarway School drove away in a shower of stones after presenting their case to the school board last night.

A crowd of about 250 jeering whites gathered outside during the two-hour closed-door hearing, then hurled rocks as the Negro party left. None of the 13 Negroes was injured.

A soft-spoken plea for calm, made by school board president Lee Parham, possibly averted a more serious incident.

Parham told the unruly crowd that there would be no immediate decision on the Negroes' appeal and added, "anything you might do here tonight would hurt us."

In the Negro party were students Ernestine Dove, 17, James Edward Warfield, 14, and Corlies Smith, 12, their parents attorney George Howard, and several others. Only the students, parents and Howard were allowed in the room for the hearing, Parham said.

Parham, a slender, graying man of about 50 came out shortly before the Negroes were to leave. He told the crowd the board was doing the best it could to handle the situation.

"There are no Negroes in the school now," he said. "We feel we won a significant victory when the integration order against us was overturned." He asked the crowd to help "by not creating a disturbance."

The U. S. Eighth Circuit Court of Appeals at St. Louis recently overturned a district court decision ordering the board to admit the three Negro students to Dollarway when it opened for the fall term.

The appeals court held that the students had not exhausted administrative remedies under Arkansas' pupil placement laws before seeking entry to the school through court action. Both courts upheld the placement laws which permit school boards to assign students for a variety of reasons not including race.

Under the administrative remedies, the first step is for students to apply for transfer. The Negroes' applications were rejected.

The law says the board shall announce its last hearings decision within a reasonable time. Parham gave no indication when the announcement would come.

Rights Rules Held Illegal, Bans Hearing

SHREVEPORT, La. (AP) — The Civil Rights Commission is under a federal injunction to drop a hearing of complaints here by 62 Negroes that 17 parish voters refused to vote in Louisiana deprived of voting rights.

A three judge court yesterday held that the act creating the Civil Rights Commission was unconstitutional, but in a complex decision, the majority of the court ruled that Congress did not give the commission explicit right to make rules which would deny the right to the right to be confronted by their accusers, to cross-examine witnesses and to be advised of the nature of the complaints against them.

In the majority opinion was written by Dist. Judge Edwin F. Hunter Jr. of Lake Charles, La. His opinion was shared by Dist. Judge Ben C. Dawkins Jr. of Shreveport. The other judge on the tribunal was Judge John Wisdom of the Fifth Circuit Court of Appeals, New Orleans.

The majority opinion said, "It is sufficient that we find nothing in the act (creating the Civil Rights Commission) which expressly authorized or permitted the commission's refusal to inform persons under investigation for criminal conduct of the nature, cause and source of accusations against them and there is nothing in the act authorizing the commission to deprive these persons of the right of confrontation and cross-examination."

All three judges agreed that the act which created the Civil Rights Commission is unconstitutional. Hunter and Dawkins held that it was not necessary for the tribunal to pass on the question whether the rules of procedure set up by the commission were constitutional.

In a minority opinion, Wisdom considered the rules constitutional. Wisdom said the commission could use the rules of fair play of congressional committees. The commission is expected to appeal the decision directly to the U. S. Supreme Court.

Baxter Named to AIDC Vacancy

LITTLE ROCK (AP)—Gov. Orval E. Faubus today appointed L. B. Baxter of Fayetteville to fill a vacancy on the Arkansas Industrial Development Commission.

Baxter succeeds the late Earl A. Harris of Rogers in a term which expires Jan. 14, 1961. Harris, one of the original members of the AIDC, died of a heart attack last Friday night.

Baxter is president of the Arkansas Western Gas Co. of Fayetteville. In a prepared statement, Faubus said his office was deluged with telephone calls and about 260 telegrams making recommendations for the position.

Woman's Son Shoots Her in the Hand

JONESBORO Ark. (AP)—Mrs. Betty Longins, 58, was shot in the hand at her home near Bowman last night and her son, Ernest Longins, 25, was jailed here on a charge of assault with intent to kill.

Ernest Longins said that he was armed with a rifle, for he was a member of the officers who went to the bank.

Longins was taken to a hospital in Dallas, Texas, where he is being treated for his wounds.

General Grants losses from the War of 1812, Cold Harbor in 1862, and the Battle of Gettysburg totaled \$1,900.

by the socialist Labor party. Instead they backed the Conservatives' free enterprise policies, their "peace and plenty" platform, and chose Macmillan rather than Labor's Hugh Gaitskill to talk for Britain at the summit.

The vote gives the Conservatives a mandate to rule for another five years. Their third straight win is a feat without precedent in modern British politics. As leader of the Conservatives, Macmillan continues in office as prime minister after the new Parliament meets Oct. 27.

Once the election dust is settled, Macmillan will press on in his drive for a summit conference. While seeking an accommodation with the Soviets, Macmillan stands firmly behind the British-American alliance.

He is not, however, an uncritically as he seems. Britain's role is to use its long experience in word affairs to try to bring the Western and Communist blocs together.

Five faculty members will instruct students in etiquette, proper dress and how to write a letter, the school announced.

SACRAMENTO, Calif. (AP)—Neatly dressed Sylvia Miller, 17, walked into George Klump's funeral home Wednesday and quietly arranged for her own funeral.

Five hours later, she returned to the sidewalk in front of the funeral home and killed herself by firing a revolver bullet into her temple.

NEW YORK (AP)—The sports editor of the National Broadcasting Co.'s radio network, Paul Jones, 62, died Wednesday in Chicago, where he had been supervising NBC coverage of the World Series.

Jones, a figure in sports broadcasting for many years, was sports director of the Mutual Broadcasting System before joining NBC in 1955.

He was credited in 1945 with convincing Baseball Commissioner A. B. Chandler that major league game broadcasting rights should be sold to the highest bidder, with part of the money to go into a players pension fund.

Jones also suggested blocking out network broadcasts of games within a 75 mile area around ball parks.

Big Party Was Big But Spots Were Boring

By CYNTHIA LOWRY
AP TV-Radio Writer

NEW YORK (AP)—The idea sounds great: get a lot of talent like Sammy Davis Jr., Liza Kirk, Mort Sahl and Tallulah Bankhead — add some glamorous, beautiful celebrities like Esther Williams and Rock Hudson and pretend they are all guests at a party.

Well, they put the idea before the television cameras Thursday night. It was The Big Party, and it was big all right. Except when the performers were doing acts that all of them do better on a proper stage, it confirmed one's worst suspicions about glamorous, black tie parties. It was a big, unwieldy bore.

Of course, it was the first show. It was live, and a lot of things obviously went awry. But still that did not explain the trivial and unamusing dialogue which even a simulated cat fight between Miss Bankhead and Miss Williams failed to brighten.

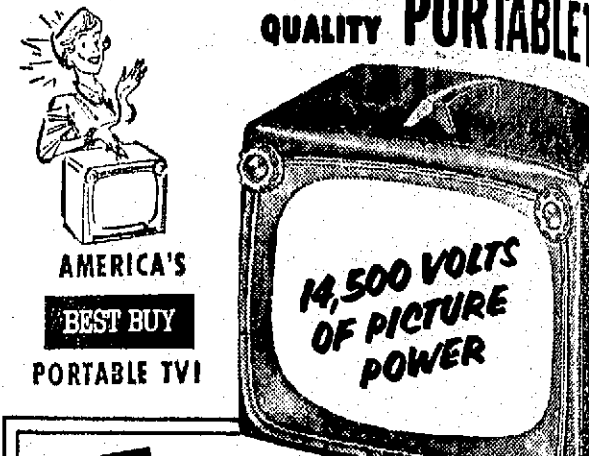

Earlier in the evening Bob Hope returned with his first fall show. As usual, he was bright and incisive in his opening remarks and

after that the sketches sounded as if they were ad libbed. Those four Crosby boys certainly resemble their father in looks, but the infield of our local little league can sing and act as well as they do.

Dean Martin sang — and helped a budding legend with a few anti-water jokes. Natalie Wood danced a little and giggled a lot. Maybe things will pick up this weekend.

Two Youths Admit Stealing Money

JONESBORO, Ark. (AP)—Sheriff Lonnie Cooper today said that two 18-year-old boys had confessed the theft of a bag of money belonging to merchant W. Amos Hall the night of Sept. 23.

Hall said the bag contained about \$3,000 in cash and about \$1,000 in checks. Cooper said the boys insisted it contained only \$1,374 in cash and checks.

The boys were booked as Roy Wayne Jones and Dannie Thomas, each 18. Both formerly lived at Bay, but had moved to Elgin, Ill., and were back in this area on a visit when the theft occurred.

They are in jail here, and Cooper said they had been charged with grand larceny.

Hall, who lives in Jonesboro but operates a store in Bay, had laid the zipper bag on a small porch outside his house garage while he went back inside to turn off his car lights. When he returned the bag had disappeared.

Jones and Thomas had been seen in the vicinity and were arrested later at Elgin, Cooper said.

DOROTHY DIX

A Bid For Hubby's Affections

By DOROTHY DIX

Dear Dorothy Dix:

Will you please print this. It may wake up some husbands. Why do men cease to show affection for their wives after marriage? They expect us to remain sweet and loving on a casual kiss in the morning and one at night. There's always money for a drink with the guys or gals at work, but never any to take a wife to dinner, or buy her a birthday present. Books and magazines are full of articles on husband-wife relationships, but do husbands ever read them? Heavens no. The conceited male knows it all already—or thinks he does. Too many wives are taken for granted, but stick it out for the sake of children.

When one of them does look for affection and appreciation outside, what a yell everyone puts up against the "unfaithful" wife. Of course, her husband could be spending abundance on other women, but he is above reproach. Don't tell me a woman can change things by tinting her hair purple or re-arranging the living room furniture. Men expect to buy love and devotion with a few dollars' grocery money. When will they realize that a wife is a helpmate, and human, too.—Disillusioned.

Dear Lady: Honest, most men do appreciate their wives and show that appreciation by loving devotion. It just isn't in some males to be considerate, affectionate or thoughtful. Whatever type of man you married, you picked, and he's yours for better or worse. The only consolation I can offer is to concentrate on his GOOD points and be thankful you're not married to an alcoholic or a wife-beater. Things can always be worse.

Dear Dorothy Dix:
Do you think a girl should still try to be popular with her friends after she's married?—Renee.

Dear Renee: More than ever. A married woman must cultivate friends for her own sake, her children's and her husband's. It's usually up to the women of the house to build her family's social life and the best way to do it is be popular yourself.

Dear Dorothy Dix:
Last summer I was terribly hurt by a boy who professed to love me, but had to marry another girl. I haven't dated a boy since. I changed jobs last month and there's a very nice young man at the new place who showed an interest in me. At the time I didn't care about him, and to be discouraging told him I was married. Now I find I really do like him. What can I do?—Daffy.

Dear Daffy: Tell him the whole story. I'm sure he'll be delighted to know you're available.

Send your problem to DOROTHY DIX. Be sure to enclose a stamped, self-addressed envelope, and address her care of this newspaper.

Rapist Tosses Woman Into Furnace

NEW YORK (AP)—A frustrated rapist beat up a young wife today and threw her into a blazing furnace. She managed to escape but was in critical condition with third degree burns covering her body.

The slightly built woman, Mrs. Hilda Koch, 24, mother of two children, is the wife of a Bronx apartment house superintendent.

She said she was in the basement, tending the furnace, when the man, a 6-footer in his late 20s, approached and asked to rent an apartment. She told him none was available.

The woman thought he had left, but a moment later he confronted her with a gun and ordered her to remove her clothes. She refused. He tried to attack her and

she fought back.

He hit her about the head and face with the gun. Then he grabbed her and forced her through a four-foot-wide door in the furnace.

Police said they had conflicting reports on how she got out. One was that the man held the door shut briefly, then fled, and that she opened it from the inside, another was that her screams attracted tenants who helped her out.

Hope, Crossett in Crucial Game Tonight at 8

It's do or die for both Hope and Crossett tonight at 8 o'clock when the two stout conference foes meet at Hammons Stadium before what should prove to be the largest crowd of the season.

Crossett has a slight advantage over the Bobcats in that they have yet to meet Smackover, rated the chief contender in the conference. The Bucks have defeated Hope by a single touchdown.

Thus Crossett almost has to win to keep in contention as does the Bobcats. It's not inconceivable that the Eagles could lose to the Bobcats and still beat Smackover. In that event the district could end in a tie.

On the other hand, Hope must defeat the visitors or forget about any conference co-title.

While the Eagles have a heavy line they also have a speedy backfield to support it as evidenced by the fact that Crossett has gained more yardage both in the air and on the ground than any other team in the conference.

The outweighted Bobcats are highly regarded despite three losses. They have a good defense plus a determined offense that has allowed them to score on every team they have met.

Crossett is bringing a large group of fans, five busloads, plus the band and pep squad, to boost their Eagles.

It should prove one of the best games of the season for both elevens.

Turkey Festival at Yellville

YELLEVILLE, Ark. (AP)—The annual Turkey Trot Festival and Wild Turkey Calling contest opens here today with a downtown parade.

A street carnival, bands, a talent contest and dancing will be among activities in the two-day celebration. In addition turkey shoots will be held.

The Wild Turkey callers will compete for loving cups and \$175 in savings bonds.

The queen of the festival will be crowned Saturday night. Thirty-two girls have entered Miss Judy Williams of Leslie was the 1953 queen.

Goldman Takes Lead in Ft. Smith Meet

FORT SMITH, Ark. (AP)—Second round play in the 30th annual Southwestern Amateur Golf Tournament began today at Hardscrabble Country Club. Spec Goldman of Dallas, Tex., held a one-stroke lead.

Goldman took medalist honors yesterday with a par 72 for the first 18 holes of the 2-hole tournament, which ends Sunday. Following him at 73 was Glen Fowler of Oklahoma City. Dale Morey of Indianapolis, Ind., and R. H. Sikes of Springdale, Ark. Morey was last year's runner-up to Jerry Pittman of Tulsa, Okla., who is now a pro and ineligible to compete.

Thirty-eight golfers qualified for the championship flight. The Willard Memorial Trophy goes to the winner.

Dodgers, White Sox Split Up Richest Series

By ED WILKS
Associated Press Sports Writer
CHICAGO (AP)—The Los Angeles Dodgers are the world champions of baseball today.

They beat the Chicago White Sox 9-3 Thursday in the sixth game of the World Series — and they did it in Chicago's Comiskey Park.

The Dodgers' victory, behind right-hander Larry Sherry, smashed the hopes of the White Sox, which had soared when the Chicago team scored a 1-0 comeback triumph Tuesday in the Los Angeles Coliseum, returning the Series to their home ground.

The Dodgers got rid of the best in the way of pitching the Sox had to offer, chasing burly Early Wynn early and sending Dick Donovan off in close pursuit.

It was only the second world championship in 19 tries for the Dodgers, their first since shifting to Los Angeles from Brooklyn two years ago.

Both championship teams have been managed by Walt Alton, who has led the Dodgers to three pennants in his six years.

This could be the richest of all series when the record \$392,365.04 player pool is split up. A full winner's share should be worth at least \$10,000 a man to the Dodgers, possibly \$11,000. The Sox should get from \$7,000 to \$7,500 each, which would be a record for a losing share.

This Dodger victory, making them the first ever to rocket from seventh place one year to the world championship the next, in the National League's fourth in six years over the American.

AL still leads in the over-all standings, however, 35-21.

The Dodgers, whose two defeats were shutouts, started rumbling against Wynn in the third in the finale when Duke Snider sent a 40-foot home run into the lower left-center field seats with a man on.

The Lindberg Memorial Monument, commemorating the first night flight made by Charles Lindbergh in 1925 stands at the take-off point of the flight on the banks of Lake Chicago about seven miles from Lake Village.

Fergusson Leads T-Team Over Shoats

LITTLE ROCK (AP)—Quarterback Bubba Fergusson of Pine Bluff led the Arkansas Razorback T team to a 23-3 rout of the freshmen Shoats here last night. The Shoats were held to 25 yards rushing and none passing.

It was a bruising defeat for the frosh, who had not lost since 1957. Last year they won all five games.

Fergusson, who was borrowed from the varsity because the T team didn't have enough quarterbacks, passed for two touchdowns, kicked one extra point, and passed for four. He also intercepted a pass that set up the last T team score.

The only Shoat score was an impressive 33-yard field goal by Chuck Tempfer of Memphis in the third quarter.

The T team scored after two Shoat fumbles and after Fergusson's intercepted pass. The first fumble came in the first quarter. It was recovered by Jerry Linberger of Texarkana and Jerry Moore of Harrison off the hands of Gary Brown of Texarkana, who was hit hard on a punt.

The T team took over and moved down to the Shoats seven, then lost back to the 10. Fergusson tossed a flat pass to Ronnie Barris of Texarkana who climbed over for the first touchdown. Fergusson kicked the point. The half ended with the score 7-0.

In the third period Tom Adams of Seipula, Okla. recovered a fumble for the frosh and the Shoats moved down to the T team 21. Tempfer then booted his field goal from the 33.

Late in the game the T team recovered a fumble on the frosh 28 and Mike Clayton of Benton directed a quick scoring punch. He passed five yards to Jon Dermott of Lamar, Mo., for the touchdown. Then Fergusson passed to George Edwards of Little Rock for the points.

Two plays later Fergusson intercepted a pass on his own 45 and returned it to the Shoot 25. On the next play he passed to Edwards who made a leaping catch in the end zone. Fergusson passed to end Brent Shinnell of Pine Bluff for the touchdown.

Porkers Leave Today by Air for Waco Tilt

FAYETTEVILLE, Ark. (AP)—The University of Arkansas Razorbacks leave by air today for Waco, Tex., seeking their eighth straight victory.

The Hogs meet Baylor tomorrow night in a Southwest Conference game.

Center Barry Switzer came down with a fever yesterday and Coach Frank Broyles said he might not make the trip. Jim Necessary was lined up as a possible replacement.

Doctors did not say what caused Switzer's fever.

In the 45-man contingent on the trip are eight hallbacks — Jim Mundy and Lance Alworth, Darrell and Jarrell Williams, Billy Kiser and Freddy Akers and Harold Horton and Bruce Fullerton.

Broyles was admittedly worried over the developing Baylor attack and said they gained a bit of power against LSU last week.

He discounted the ball numbers, however, to the Porkers' advantage.

"We can hope to keep winning on defense and interceptions," Broyles said. "A good football team must develop a real scoring punch that includes a solid passing game. That's what we've got to work toward in the weeks ahead."

First team quarterback Jim Mundy has been nursing a shoulder injury and was expected to start against Baylor.

Crucial Games in Arkansas Play Friday

By THE ASSOCIATED PRESS
The Big Nine Conference reaches a crucial point in its 1954 campaign tonight when Little Rock Central goes to Fort Smith. El Dorado visits Pine Bluff.

If Central and El Dorado win, and they are favored, they'll be solid favorites to fight it out for the title on Oct. 25 at Little Rock. But if Fort Smith and Pine Bluff win, the league race will be thrown into a scramble with at least six teams having lost one game.

Other Big Nine games tonight and tomorrow are Hot Springs and Texarkana at Little Rock. Blytheville and Hall are favored.

El Dorado and Central are now the only unbeaten teams in the conference but El Dorado was tied last week by North Little Rock. Wildcats still have not been scored on but that may not be scored tonight before the passing attack of Pine Bluff quarterback Gordon Guet.

Another passing game, that of

Central's Claude Fulton, is expected to play a big part in the Tiger-Fort Smith game, in five quarters of play to date, Fulton has hit on 20 of 27 passes. The Tigers have won both games.

The Catholic High Rockets, the top-ranked Class AA team in the state, meets Conway tonight. The Rockets for all intent have nailed down the 3AA title.

Two important games are scheduled in Region IAA. Fayetteville visits Springdale and Harrison meets Subiaco.

In 2AA, Jonesboro meets West Memphis. Paragould tries New-
port and Stuttgart faces Wynona in league games.

Other 3AA games include Benton at Mabelvale and Russellville at Morrilton. In 4AA, Fairview faces on Arkadelphia and Crossett tries Hope.

Jun Bob Weir of Blytheville is the top scorer in the Big Nine through last week's game with 29 points on six touchdowns.

Mike Edwards of Texarkana has 20 points and Jerry Moody of El Dorado and Gary Parker of North Little Rock have 24 each.

ADDED TOUCH—Although it doesn't look it, the entrance to small St. John Chrysostom Episcopal Church in Delafield, Wis., is 108 years younger than the rest of the building. The church was built in 1851 and has been in use ever since with only small remodeling jobs, until the addition of the new entrance with its vestibule. It was designed to match exactly the architecture of the church.

clients will be considered at an annual county welfare directors meeting in Hot Springs today.

This proposal was among 10 resolutions the directors were expected to take up at the afternoon meeting.

The current allowance is \$27 per month. Welfare Director Carl Adams said that if the resolution on approval, the increase would be effected as soon as funds were available.

Bible Comment

THE REALISM OF THE BIBLE

By WILLIAM E. GILROY, D.D.

I wonder whether anyone has ever commented on the fact, the very remarkable fact, that the Bible, the best of all books, the supreme guide to life at its best, and to eternal life — comprises within its covers the records, often extensive, of every sort of evil, violence, and crime.

Consider the realism and almost incredible honesty of Bible writers in depicting and recording the life of their times. For, over against the records of evil are depicted beauties of character, and glories of the aspiration and achievements of saints and prophets, whose zeal for righteous and whose passion for brotherhood and peace might well be regarded as the noblest things in history.

In this strange contrast much concerns many (there were Jews and Samaritans), whose characters and purposes were unashamedly evil.

It is all set forth by true prophets, who suffered even martyrdom, for the unpopularity of denouncing the social wrongs and evils of their times.

There are the stories of the ambition and lust for power of those who set no limit to horrors of violence in attaining their end. For example: Most sordid and brutal of all assassinations was the killing of Amsa, a captain of King David, by Joab, another captain of King David (II Samuel, Joab saluting him as a brother, holding him by the beard and kissing him, as he slyly stabbed him to death.

The realism of the Bible in depicting acts of sin and evil for what they were, and in sparing nothing in its records of war and violence, has its most amazing aspect in the way in which lapses from rectitude, or downright wrong, on the part of those who might be thought of as national heroes are recorded.

The adultery of David and his virtual murder of Bathsheba's husband are recorded as realistically as the stories of the shepherd boy-giant killer, and the

Rockefeller

Run for Governor

ATLANTA (AP) — Rockefeller said it was possible that he would run for governor of New York that if he did it would be as a Democrat.

Like his brother Nelson, Rockefeller, here in the Atlanta Journal-Southern, said he would seek the Arkansas post.

He said, in an interview, that he had suggested the Democratic gubernatorial nomination.

"I don't know what I'll run, but I do know as a Democrat," he said.

gentler harpist and women, with its climactic prayer at the close of the Temple, has its counterpart in the people, actually representing the civil war and discontent the kingdom.

But the greatest reality is that in this Book, evil, perfidy, and tragedy of individual downfall of kings and there is no question of the primacy of the pose and message.

It is pre-eminently goodness, righteousness, salvation. It is the Book of life, and for life at eternal life.

In all its amazing realism and variety, great aspect that it is of life, man's struggle to time and eternity.

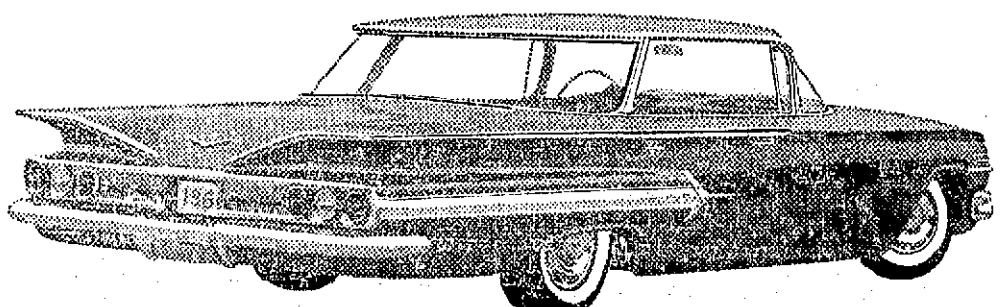

It is the source of lessons, as it is the surest and truest guide.

HERE NOW ARE SIXTY'S SIZZLERS 16 SUPERLATIVE NEW CHEVROLETS FOR 1960!

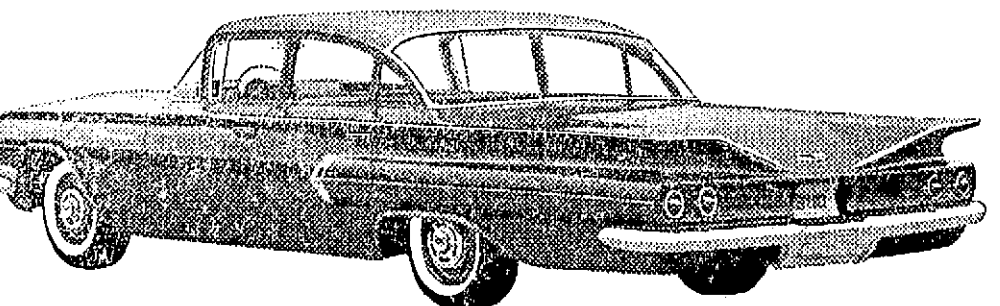

Nearest to perfection a low-priced car ever came!

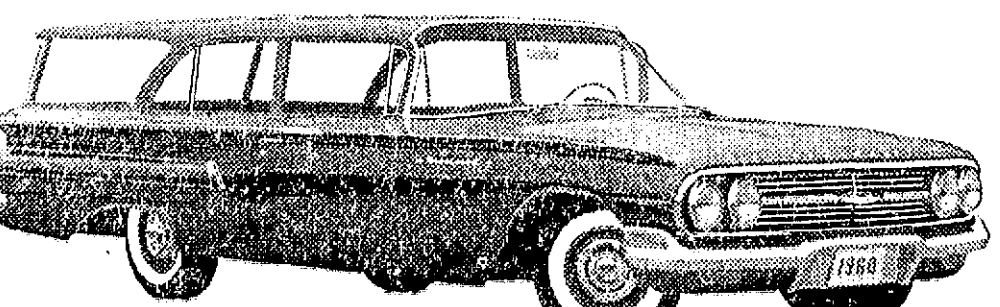

4 IMPALAS—Nowhere else in the low-price field will you find luxury like this. These fresh, fashionable Impalas—most elegant of all the superlative '60 Chevrolets—are all the car you ever yearned for. Each embodies distinctive treatment inside and out, with triple-unit rear lights, fingertip door releases and safety-reflector armrests. Besides the Impala sport sedan above, there are a convertible, sport coupe and 4-door sedan.

4 BEL AIRS—Sumptuous as these Bel Airs are to behold, they're priced just above Chevy's thriftiest models. And, like all Chevrolets, they give you a choice of two of the thriftiest engines going as standard equipment—the famed Hi-Throw 6 and a new Economy Turbo-Fire V8 that gets up to 10% more miles out of a gallon of regular while giving you more "git" at normal speeds. Besides the 4-door Bel Air sedan above, there are a 2-door sedan, sport sedan and sport coupe.

3 BISCAYNES—These (though you'd never know to look at them) are the lowest priced of the superlative '60 Chevrolets. They bring you the same basic beauty and Full Coil suspension, isolated from road shock and noise by thicker, newly designed body mounts. Along with the 4-door Biscayne sedan above, you have your choice of a 2-door and a utility sedan.

5 STATION WAGONS—These Chevy wagons are stunningly styled to carry you away. And they've got the kind of cargo space (over 10 ft. from the back of the front seat to the tip of the tailgate) to carry away most anything you want to take with you. Besides that thrifty 2-door Brookwood above, you have your choice of a 4-door Brookwood, 4-door Parkwood, 9-passenger Kingswood and the nifty Nomad.
